SUBJECT: CAHUILLA PARK LIGHTING

Due to the passage of Proposition 13, the city's ability to pay for the ball field lighting at Cahuilla Park has been depleted. Effective Wednesday, June 14, 1978, there will no longer be lights available for youth sports leagues.

Each youth league may retain the use of lights by paying for such use. The cost of providing the lighted field at Cahuilla Park is \$6.00 per hour, with a minimum rental of two hours. Any organization wishing to secure lighting must fill out a facility use request at the Human Services Department, 840 N. Indian Hill Blvd., in Memorial Park and pay for the lighting in advance. This must be done on a minimum of a monthly basis for league activities.

If you have any questions, you may call Jack Medrano or Ron Hagan at 624-4531, Human Services Department.
